Case, Lockwood & Brainard  
85 Trumbull Street  
Hartford, Connecticut

Dear Mr. Thomsen:

This is to confirm your conversation with Dr. Bierly regarding the production of "The Law." Because of a more favorable price quotation, we have been obliged to place our order for this publication elsewhere.

As Dr. Bierly has indicated, he will try to keep you posted as future publications come along, inasmuch as we would appreciate, if you are interested, having prices from Case, Lockwood.

Sincerely yours,

Lorraine Alexander
