President, International University  
of Social Studies, Rome  
1240 Park Avenue  
Suite 6F  
New York, N. Y.

Dear Rev. Morlion:

I am extremely sorry about not notifying you in advance that Mr. Hazlitt could not attend the meeting today. I have tried to reach you by telephone, but nobody seems to answer at C.I.P.

Mr. Hazlitt has been away from the office due to illness for about a year now, but has continued to write his column regularly at home. He has been unable to take on additional work.

Your letter has been forwarded to his home and you may possibly hear from him.

Sincerely,

Marion Barbera  
Secretary to Henry Hazlitt
