Mr. William C. Brady
2122 Bancroft Place
Washington, D. C.

Dear Mr. Brady:

Thank you for inviting Mr. Hazlitt to speak before students and members of Harvard University. He has been away from the office due to illness for several months now and I cannot say whether or not he'll be well enough to take on any speaking engagements this fall.

I will forward your letter to his home and should he be able to accept, you will undoubtedly be hearing from him.

Sincerely,

Marion Barbera
Secretary to Henry Hazlitt
