Mr. Henry Hazlitt,
Newsweek Magazine,
Newsweek Building,
New York City, N.Y.

Dear Mr. Hazlitt:

I want to thank you on behalf of myself and thousands of other inarticulate and long-suffering "Americans" for your very fine article in the December 5th Newsweek.

The deliberate misuse of the word "Liberal" by New Dealers, Socialists and Pinkos over the past twenty-two years has done more to dilute the great American Idea than anything else I can think of.

Your article is being framed, and will shortly hang in my office for all to see.

Sincerely,

Walter S. Fish.
