Dear Mr. Hazlett,

Regarding your Topic,  
"The Salaries of Congress" in Newsweek  
of March 7, 1955 issue: I heartily  
agree that the Congress and the  
Senate have pulled a "Stinker"

I have been reading your  
column for a long time and  
appreciate the truth and vast  
logical insight of your views.  
Congratulations

Norris R. Singer
