

The Author and Publisher

Leonard E. Read, author of Conscience of the Majority, Government -- An Ideal Concept, Miracle of the Market, Students of Liberty, Why Not Try Freedom?, Elements of Libertarian Leadership, and other books and articles, is President of the Foundation for Economic Education, organized in 1946.

The Foundation is an educational champion of private ownership, the free market, the profit and loss system, and limited government. It is nonprofit and nonpolitical. Sample copies of the Foundation's monthly study journal, The Freeman, are available on request.
