Dear Mr. Sowers:

Mrs. Orsini is away from the office this week.

I have noted your letter of the 20th to her saying that paperbound copies of my book will be available by September 4. This is really wonderful service and I appreciate it.

I am leaving for Europe this Saturday and will be gone for two weeks. I would deeply appreciate your air mailing me a paperbound copy of the book to Panhaus Hotel, The Semmering, Austria.

All my best!

Cordially,

Leonard E. Read
