Gentlemen:

Enclosed is the December 1964 issue of the "Municipal Guardian" in which appears a review of "Essays on Liberty" in the "Editor's Book Shelf" on Page 4.

We will be delighted to give space to other important books, current and also previous publications of current or permanent interest.

Please send these to us at your convenience.

Best wishes for a Happy New Year.

Sincerely yours,

*Noah A. Ben-Tovim*

P. S. I intend to give more space in the future to your important publications. The Christmas edition was a rush job and that was the best I could do in the circumstances.
