Prof. F.A.HARPER

The Foundation for Economic Education
IRVINGTON on HUDSON, (New York) U.S.A

Dear Professor Harper,

I received with great pleasure your letter and I thank you for your kind greetings. It was really a treat for me to meet at the Mont Pelerin Conference so many great scientists who shared my thought and my deepest feelings.

I have left my charge of Commissary of the Institute for Cultural Relations with foreign countries in order to devote myself more freely to the teaching in the University of Rome where I have been appointed Professor of Philosophy of history.

My address is now: Via Vincenzo Picardi 4 b.

I hope to receive once more news from you and with many good wishes I am

most sincerely yours

Carlo Antoni
