Dear Mr. Bellerue:

At the request of C. W. (Chet) Anderson -- a long-time friend of The Foundation and your brother Albert -- I am enclosing a copy of our monthly journal, The Freeman, a brochure which will give you an overview of FEE's activities, and a reply card you need only return if you would like to have your name added to our mailing list to receive our publications as released.

Chet also asked that I let you know if and when a seminar will be held on the West Coast. At the moment there is none planned but I will keep you apprised if one does materialize.

I would be happy to hear from you if you have any comments or questions about our work.

Sincerely,

Robert G. Anderson
