My dear Chet:

This will acknowledge and thank you so much for your thoughtful and interesting letter of the 23rd. You certainly make excellent presentations or there would not have been such a high percentage of attendees who wish to go on FEE's mailing list.

I am adding each of these and with their initial mailing we will enclose a card indicating we are doing this at your request. If they do not become donors before August, they will get what we call our "revision" mailing which invites them to remain on by responding affirmatively.

We will do our best to suggest somebody who might possibly take your place. Believe me, that is not easy.

All my best!

Faithfully, your friend,

ANDERSON, C.W.

Dear Leonard:

Warm greetings from Arizona - almost 110° today but not oppressive in the low humidity.

As always I enjoyed the nice dinner gathering - especially the renewal of acquaintances and libertarian friendships that go back 35 years. It was especially good to see you so far on your way to recovery. I appreciate very much ~~but~~ being invited.

Give my best to everyone there - take care of yourself - his sends warmest wishes.

Our best,
Chet

My dear Chet:

Thank you for your nice note. How wonderful it was to have had you here at our Annual Meeting affair. You have been one of the best of my long-time friends. And my best always to you and Sis!

Faithfully,

Dear Leonard:

So many things I do, for example writing this enclosed piece, remind me of the key part you played in my "conversion". Our mutual friend Loyal Meek who is editor of the Phoenix Gazette organized & runs this daily "Emphasis" feature. Each writer does an article every 8th week or so. Another disciple of yours, who I just got acquainted with, also contributes - Melton Schoffstall

Sometimes these efforts seem so futile but I surely agree with you that we must do our own individual best.

Will you tell Paul Poirat that I have not abandoned ship.

Best regards.
