Dear Chet:

Thanks for your penned note of the fifth, the letter to the editor by Uncle Joe, and the nice note from Rev. Harold Mongerson. I appreciate having these.

With reference to your second P.S., I shall ask Baldy to write you his own reply.

It was great to have you with us. I enjoyed our short time in Washington together.

My best to you, Chet.

Cordially,

Dear Leonard:

Uncle Joe keeps at it as you can see by this letter from "The People's Pulpit."

The letter is from the minister who told me I was "on God's side" in sending out pamphlets etc.

Thanks for a most enjoyable evening in Irvington.

Cordially,

Chet

P.S. Had a most enjoyable chat with Mr. Buffet of Nebraska.

P.S. Does Doc Harper ever get out far enough that he would be interested in stopping here - possibly for that Y.M.C.A. weekend "retreat"?
