Davenport, Iowa

Dear Mr. Von Maur:

Your interest in what Dean Russell had to say at the Davenport YMCA dinner and your questions concerning trade between nations prompts me to send you the publication which he mentioned, "The Tariff Idea". Incidentally you might be interested to know that we provided a number of these at the request of Roger Berry, principal of the Davenport High School. You may also be interested to know that during the past few years, through this office, we have distributed thousands of copies of the excellent publications of The Foundation of Economic Education, Inc. to educators, clergymen and industrialists.

With "The Tariff Idea", I am also enclosing Dean Russell's "The Bill of Rights" and two of the Foundation's explanatory pamphlets entitled "The Study of Freedom" and "The Positive Approach to Personal Rights". The Clipping of Note, "For a Moral Revolution", is also enclosed.

Very truly yours,

C. W. Anderson
