Mr. Ivan Bierly
The Foundation for Economic Education, Inc.
Irvington-on-Hudson, New York

Dear Mr. Bierly:

Leonard told me that you might be able to give me some help in finding a questionnaire to be used for the determination of the extent of economic understanding. I know that Opinion Research Corporation, for example, has developed material, and if you have any samples or suggestions, I would like very much to have them. We may decide to test some foremen to show the need for economic education. Thank you.

Very truly yours,

C. W. Anderson
