Dear Mr. Hazlitt:

I read your article "When do we stop"
in the Dec. 24 issue of NEWSWEEK.

Many of us really do ask "when will
it stop?"-if it ever will. We cannot support
the world, indefinitely, and neither can we
"buy" our "friends".

Please keep writing articles of sim-
iliar nature. Perhaps a man like you can be
heard by the "right people".

Just one small voice.

Very sincerely,

E. J. Hogan
